

R for Bioinformatics Cohort 3

Certificate

Of Completion

This is to certify that Md Ridone Ahmed
has regularly participated in the
R for Bioinformatics Cohort 3
held on March 2, 2024.

His performance was "Good". We wish all the success in his research and
academic career.

TOPICS OF THE TRAINING PROGRAMME

1. Fundamentals of R, Control Flow in R, Simulation in R
2. Introduction & Sequences in Bioconductor
3. Genomic Features in Bioconductor, FastQs in Bioconductor
4. Alignment & Summarizing Aligned Data in Bioconductor
5. Biological Data Manipulation
